NARRATIVE:

Garcia, an active member of the Hawthorne 13 street gang, has an extensive adult criminal history that began at the age of 18 and includes vandalism, carry loaded firearm in public, possession of controlled substance while armed, grand theft with firearm, and violation of supervised release. Garcia served a 24 month prison term for possession of controlled substance while armed. He was released most recently, to the supervision of the Los Angeles County Probation Department on 03/24/2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2013 after Garcia absconded from post release community supervision (PRCS). Garcia qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession controlled substance while armed is defined as non-serious and non-violent under the California penal code. His prior criminal history, status as an active gang member, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
